## TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at [www.dred.state.nh.us](http://www.dred.state.nh.us).

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

Serving the Town's of Fryeburg and Stow, ME; and Chatham, NH  
Annual Report**

Saco Valley Fire Association has had a relatively quiet year. With a total of 33 calls as of 12/6/2000. The calls are as follows: North Fryeburg -15, Stow-9, Chatham-3, Batchelders Plantation 1, and Mutual aid with Fryeburg-5. We also were on stand-by in the station for 2 other alarms.

A truck was on duty at the fair this year at the "Birthday Celebration" and at the annual "Fall Fair". We were stationed at the Lovell Gate.

We continue our training program both in house and through classes provided by business, organizations, and government agencies. All this is done to better serve the public and to comply with OSHA regulations.

We continue to upgrade our equipment and protective gear as our budget allows.

In the coming years we plan to up-date our fleet of fire trucks. Maintaining old equipment is both expensive and time consuming. We have been setting aside moneys from fund raising events in a "Truck Fund"; however, we still find it necessary to ask for your help.

We again take this opportunity to thank you for your support and encouragement through these years.

Please use smoke detectors, be aware of the dangers of carbon monoxide, and be careful with all your fires.

Sincerely;

The officers and members of SVFA.

## **Fryeburg Rescue 2000 Annual Report**

To the Citizens of Fryeburg, Brownfield, Lovell, Stow and Chatham:

This year has been a busy one for Fryeburg Rescue; we experienced an increase in call volume over the year. Our EMT-Intermediates enhanced their level of training and are now able to administer some medications that will allow for quicker intervention. We are also in the final stages of pre-positioning some advanced level equipment, including defibrillators and advanced airway kits into the outlying areas of our coverage area. This will allow those trained to start advanced treatment before the unit arrives.

Late last year along with the purchase of a new ambulance we also updated the extrication vehicle. This update included a new box with more easily accessible space. A generator and powerful scene lights were also added to the truck. Earlier this year, we also updated the equipment inside this same truck with new hand lights, cords and tools. The biggest update was the addition of new "jaws tool". This new system includes a gas powered hydraulic unit and two tools. One tool is a spreader and the other is a cutter. Our plan is to add to this system on a regular basis. Another new look that is now showing up on scene is new turn out gear that will help protect us while we serve you.

Our Junior Rescue Squad is still an integral part of the team. Many of these young members go on to become long time members on the Senior Squad. (Penny calling me with more info for this part.)

This year's volume of calls totaled 542 calls for Fryeburg and the surrounding communities. The breakdown is as follows: Fryeburg 348; North Fryeburg 23; Brownfield 83; Lovell 46, Stow 8; Chatham 25; and East Conway 4. We were also called upon to assist other local rescue squads with mutual aid calls.

We would sincerely like to thank the community for both their moral and financial support. Without this level of support we would be unable to upgrade and continue our service as one of the few remaining full volunteer, non-charging services.

We are always on the lookout for anyone interested in joining our team. If interested please contact a rescue member or call one of the Officers listed below.

Chief: Bob Ramsay at 935-2849  
Captain Penny Parmenter at 697-2071  
Lieutenant Peter Hill at 935-2361  
Treasurer Angela Smith at 697-3457  
Secretary Roberta Lord at 935-4219

Yours Truly,

Chief Bob Ramsay

It is once again a privilege to report to the people of this large Northern Council District 98 towns and four cities spread throughout Coos, Grafton, Carroll, Belknap, and Sullivan Counties.

The constitutional and statutory responsibilities of the Executive Council are within the Executive Branch of your New Hampshire State government. Our role is much like a board of directors of a large company. We are charged with carrying out the laws and budget passed by the New Hampshire House and Senate. The Governor and Council employ 294 Commissioners and Directors to administer over 100 departments and agencies to carry out the details of the laws and budget of your State government. The Council has an overall supervisory role in assisting citizens, business, agencies, towns, cities, and counties in effectively working with State government.

Preparing for the coming two-year term that I have been elected to as one of your public servants, I share with you the following ideas and requests:

- If anyone is interested in making a volunteer contribution of their time and talent on a Board or Commission through the appointment process of the Governor and Council, please contact my office or Kathy Goode, Council Liaison, Governor's Office, State House, Concord, NH 03301, Tel. 271-2121, and ask for the appointment list for 2001. As your Councilor, I am always looking for people to serve on a multitude of Boards and Commissions in your State government.
- The Governor's Advisory Commission on Intermodal Transportation (five Executive Councilors and the Commissioner of Transportation) will be holding hearings around the State on citizen and regional planning commission recommendations for improving our highway system throughout New Hampshire. If you have suggestions on a needed improvement, please send them

### **COOS COUNTY:**

Berlin, Carroll, Clarksville,  
Calebroke, Columbia, Dalton,  
Oxville, Dummer, Errol,  
Gorham, Jefferson, Lancaster,  
Milan, Millsfield, Northumberland,  
Pittsburg, Randolph, Shauburne,  
Stewartstown, Stark, Stratford,  
Whitefield

### **SULLIVAN COUNTY:**

Charlestown, Claremont, Cornish,  
Croydon, Grantham, Newport  
Plainfield, Springfield, Sunapee

to your regional planning commission or to my office soon so they may be given consideration.

- The Regional Health Planning District Councils continue to meet and consider major changes in the health maintenance system for citizens both at the local and state levels. Anyone wishing to serve on your region's District Health Council should contact my office or Lori Real, Director of Planning Research at NH Health and Human Services Department, Tel. 271-4235..
- As one of your elected officials, I would urge your town and region to be in constant contact with our New Hampshire Congressional Delegation to let them know of your ideas, concerns and desires. I am interested in promoting projects to send to Senators Smith and Gregg and Congressmen Sununu and Bass. They are effective in their committee assignments and should always have a list from back home in New Hampshire to advance in our nation's Capitol.
- I recommend use of the NH Webster System. It is the official state locator for your New Hampshire State Government at <http://www.state.state.nh.us>. A complete directory of phone numbers and addresses of all state agencies is listed for your convenience. Utilize your local Town/City Library to access the Webster System which is administered and maintained by the New Hampshire State Library.
- My office has available a handy 800 toll-free phone card of organizations for rural areas.
- Always know my office is at your service. Contact me anytime!

Ray Burton

## Annual Report Insert

### Mt. Washington Valley Economic Council

The Mt. Washington Valley Economic Council marked its 10th anniversary in 2000! With a firm foundation of accomplishments, the Council is embarking on its most ambitious project to date, the Mt. Washington Valley Technology Village. The Village represents the Council's major initiative to stimulate high technology business growth and diversity in the Valley. The overriding goal of the Village is to create high skilled, good paying jobs for our residents – thus lifting the standard of living for all. With the Council's unparalleled commitment to this most worthwhile endeavor, your support is more crucial than ever. 2001 will be a pivotal year for the Council and the communities they represent as we plan the project, build community support and secure the necessary funding to make the Technology Village a reality.

In addition to the Technology Village, the Council will remain the "Business Resource Center" for the Valley. We will continue to provide programs and services that support our existing businesses and encourage their long-term viability. The Revolving Loan Fund will continue to finance new and expanding businesses! Eggs and Issues and Bits, Bytes and Business will also continue to provide topical information for the business community and the general public! Feedback from our Business Visitation Surveys will continue to generate new programs such as our recently offered Mt. Washington Valley Marketing Series! Our Workforce Development Team will continue to push for higher standards in our schools and support successful programs like the School to Career Initiative! Rest assured of our continued commitment to the Mt. Washington Valley as we forge ahead with the development of the Technology Village.

----Margaret Howlett, Executive Director

CHATHAM SCHOOL DISTRICT WARRANT  
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Chatham, in the County of Carroll, State of New Hampshire, qualified to vote on District affairs:

You are hereby notified to meet in the Town Hall in said District on Tuesday, the 13th day of March, 2001, at 7:30 p.m. to act upon the following subjects.

ARTICLE 1. To elect a Clerk for the ensuing year.

ARTICLE 2. To elect a member of the School Board for the ensuing three years.

ARTICLE 3. To elect a Treasurer for the ensuing year.

ARTICLE 4. To elect an Auditor for the ensuing year.

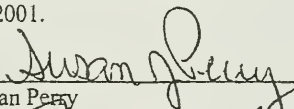

ARTICLE 5. To see if the School District will vote to raise and appropriate the sum of five thousand four hundred dollars (\$5,400) as a supplemental appropriation for the purpose of paying unanticipated special education expenses for the 2000-01 school year, and to authorize it to be withdrawn from the Capital Reserve Fund (Special Education) that was created for that purpose. (Recommended by the School Board) (Recommended by the Budget Committee)

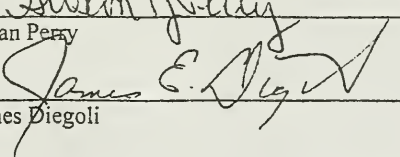

ARTICLE 6. To see if the School District will vote to raise two thousand seven hundred and ninety dollars (\$2,790) to reduce the general fund (regular education) deficit pursuant to RSA 189:28-a. (Recommended by the School Board) (Recommended by the Budget Committee)

ARTICLE 7. To see if the School District will vote to raise and appropriate the sum of four hundred sixty-six thousand, one hundred and seventy-five dollars (\$466,175) for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District, exclusive of all separate articles. (Recommended by the School Board) (Recommended by the Budget Committee)

ARTICLE 8. To transact any other business that may legally come before this meeting.

Given under our hands, this 7<sup>th</sup> day of February 2001.

## INDEPENDENT AUDITOR'S REPORT

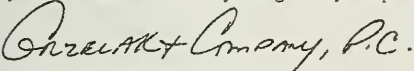

To the Board  
School Administrative Unit #9  
Conway, New Hampshire

We have audited the accompanying general-purpose financial statements of the School Administrative Unit #9 as of and for the year ended June 30, 2000, as listed in the table of contents. These general-purpose financial statements are the responsibility of the School Administrative Unit #9 management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the School Administrative Unit #9 as of June 30, 2000, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.
